CONSIDER THIS...

Using ONE vendor for trash collection in our neighborhood instead of several different ones has many positive effects on our standard of living. With fewer trucks on our roads each week (week-in, week-out, year-after-year) there is much less wear & tear on our roads. Repairing and replacing our roads less often helps keep our taxes down and makes it safer for us all to travel on our streets. Please support the neighborhood by supporting the vendors that support us.
