Dear Resident,

I would like to extend an invitation to have a special meeting with your homeowners to educate them on the upcoming levy that will be on the November 5<sup>th</sup> ballot. The meeting would be no more than 30 minutes in length (depending on the number of questions) and can be held at the fire station or somewhere of your choosing. I have a brief 15-minute informative PowerPoint presentation and then open the floor for questions. Please call me at the number above and let me know if you would be interested. We will also be having a series of Community meetings at the fire station on the following dates. If you could please spread the word through your neighborhood, it would be most appreciated.

Wednesday, **June 26**, 7:00pm  
Wednesday, **July 24**, 7:00pm  
Tuesday, **August 20**, 7:00pm  
Thursday, **September 26**, 7:00pm  
Saturday, **October 12**, 10:00am  
Tuesday, **October 22**, 7:00pm

Sincerely,

Lou Ann Metz, Fire Chief
